Dear Sir/Madam

Re. MAKING AVAILABLE OF DNA TEST RESULTS AND INTERPRETATIONS TO WILDLIFE STUD SERVICES (WS2) – Historic and future

I grant permission that a copy of all DNA test results (historic and future) done on my Animals of _____ (stud name) and their interpretations must be supplied to WS2 to capture on the WS2 database on my _____ (breeder name) behalf.

This data will be utilized for identification of animals belonging to _____ (stud name) and for verification of their pedigrees. All 54k/700k SNP data.

I believe that you/your Laboratories, UNISTEL, UP VGL, UJ, INQABA, ARC, NZG and/or CLINVET , are/is currently the holder of DNA samples that originated from animals belonging to the _____ (stud name) the results and the interpretation of the results as the original analysis was done by you. If you do not currently hold the rights, please provide me with the information that can help me contact the proper service provider.

This request is for a non-exclusive, irrevocable, and royalty-free permission, and it is not intended to interfere with other uses of the same work by you/ your laboratory.

Your co-operation would be greatly appreciated. If you require any additional information, do not hesitate to contact Paul Lubout at WS2 (address and number below.)

A duplicate copy of this request has been provided for your records. To acknowledge receipt, please sign the letter where indicated below and return to WS2. If you are not willing, please inform WS2.

Sincerely,

_____ Owner
